## Community Service

All scouts have a pressing need to do some community service as part of their Community Challenge and their Chief Scout Gold Award badges. As you may know we have rearranged a new date to replace our 'snowed off' day helping the Clyde Muirshiel wardens at Cornalees to maintain the centre grounds for the summer season. This new session will take place on Saturday 5<sup>th</sup> June from 10am to 3pm.

Each scout needs to give a total of 12hours of service, and this date should allow most who have already started to complete their service portion, and others to get started. All scouts who do not yet have their Community Challenge should try attend, those who do have it are welcome to join us.

Please wear suitable clothing for outdoors work and be prepared for rain. The rangers will supply any tools/equipment we need. **Bring a Packed Lunch**

Scouts should meet at the Cornalees Centre Hall at 10am and can be collected at 3pm.

Please return the permission slip below by Fri 28<sup>th</sup> May
