

Parachute Jump

Dear Parent,

Following our fantastic day skydiving in March, we are returning again to have a go at Static Line (solo) jumps.

We'll be parachuting again with the Strathallan Parachute Centre near Perth on the weekend of 13th / 14th September 2008. This will be the 5th time we have used this company since our first jumps in the early 90's and we are again looking forward to one of the most memorable days of our lives.

Jumpers must be 16 years or older on the date of the jump and under 14st. The centre also requires a medical form and a contract/disclaimer to be completed – we'll process those later. Note that although it is standard practice for Parachuting Centres to use disclaimers, standard Scout Personal Accident Insurance cover applies.

Please complete and return the permission slip below to register your interest.

Static Line (Solo)

Training: All day Saturday. Most of the cost is for the training. Each subsequent jump is £30. Completing 3 jumps entitles you to the Explorer Parachutist badge.

Type: Solo from 3000ft. Your rip-cord is pulled automatically as you leave the plane. You have 4 seconds of free-fall before the chute is open. Instructors guide you in through earphones.

When: You will jump late afternoon Saturday or on Sunday as weather permits. You may need to return (no cost) within a few months to complete your jump if weather is not suitable.

Cost: £160 for the jump plus the cost of 1 night camping at the centre (food and fuel only as camping is free)

For further info call from Andy Yarr on 07977 023 335

Note: Jumpers over 40 require a Doctor to complete part of the medical form. Jumpers must not have any of these conditions: Epilepsy, fits, severe head injury, recurrent blackouts or giddiness, disease of the brain or nervous system, high blood pressure, heart or lung disease, recurrent weakness or dislocation of any limb, diabetes, mental illness, drug or alcohol addiction among other requirements.
