## Summer Camp 2010 Ireland

By popular demand, we are delighted to announce that next year's summer camp will be in Ireland from Sat 31<sup>st</sup> July – Sat 7<sup>th</sup> August 2010.

Travelling in minibuses, we will be staying at the National Water Activity Centre at Killaloe in County Clare and plan many activities on land and water including kayaking, climbing, cycling, sailing, sightseeing, hillwalking and more (activities are to be confirmed). We will be staying in dormitories although we hope to be able to include some limited camping opportunities for those keen to get under canvas. Space is limited, so please return your permission form quickly to avoid disappointment. The total cost is £280

This is the highlight of our Scouting calendar and Scouts will develop their scouting skills as well as strengthening friendships during the adventure of the camp.

Full details, and a more detailed personal information form will be provided nearer the time. We also plan to give a presentation to parents on the trip a few months before the trip.

Please return the form along with a non-returnable deposit of £30 to book your place.
